# THANK YOU

for raising **\$303,000** this year and **\$4,244,000** over the past 28 years!

Thanks for helping to open minds and create change.

Summer Street exists to create and facilitate opportunities for people with intellectual disability - one person at a time.

180 people with diverse abilities voluntarily participate in our spectrum of services including 45 who are employed in our social enterprises. Because of you - **Our Community of Champions** - we are a vibrant part of Pictou County. We cannot thank you enough. And a huge thank you to the 40 volunteers and Abercrombie Country Club who helped make the Summer Street Scramble a success!
