

26th Annual Summer Street Golf Scramble

— SEPTEMBER 25, 2020 —

Raised \$237,720!

THANK YOU

for "roaring" to the challenge even in the most difficult of times.

For 26 years you have come together for one fun-filled day to raise funds, awareness and support for the people we serve.

COVID-19 made 2020 an exceptionally challenging and difficult year for everyone on so many levels. With innovation and determination our team managed to provide and continue many services and opportunities for program participants. We are grateful for your generosity, commitment and unwavering support. Summer Street exists to create change and facilitate opportunities for people with intellectual disability - one person at a time. Your kindness helps make it all possible.

Many adjustments had to be made to ensure that the 26th Annual Summer Street Scramble could be carried out safely and responsibly. You simply took it in stride, had a blast with the Roaring 20's theme and as always - made it an extraordinary fundraising event. We cannot thank you enough. And a huge thank you to the 40 volunteers who helped to make it all happen!
